\*\*\*\*\*\*\*\*

A Graduate Award Program for Marus Bridge Children

☆ ☆

☆

☆ ☆

☆

 $\stackrel{\wedge}{\square}$ 

## Why have a Graduate Award Program?

- To make our curriculum even more exciting and geared to what our pupils like to do and learn.
- To help pupils to develop characteristics of effective learning that cut across school and life.
- To reward and encourage pupils and their families for supporting our ethos.
- To make our school an even better place to learn.
- To help pupils make a contribution to our school, family, local community, country and the world.

#### Two Mirrored Aims

☆☆

 $\stackrel{\wedge}{\Rightarrow}$ 

**☆ ☆** 

 $\stackrel{\wedge}{\Rightarrow}$ 

☆

 $\stackrel{\wedge}{\Rightarrow}$ 

☆

☆

- 1. Develop personal skills, health, wellbeing and knowledge to make a contribution to our school community, our local community, our country and our world.
- 2. Understand and enjoy our school, local community, country and our world to value and respect others and so develop personally.

## Rich experiences, learning, giving and having fun

Every year, pupils will enjoy new challenges and develop skills in exciting ways. It could be cooking meals for an invitation evening for the elderly in our community, making contact with children in a third world school, building a campfire and sleeping under canvas, performing a piece of music or dance or enjoying a trip to the theatre.

The booklet that follows sets out the experiences on offer. You will see that we need your help if children are going to succeed and gain the full benefit of the program.

\*\*\*\*\*\*\*\*\*

### How do pupils 'graduate'?

At the end of Year 6 there will be a special Graduation Ceremony for all pupils. Each year, from Reception onwards, children can earn part of the Bridge. A badge will be presented to each child who has completed 80% or more of the experiences and challenges in the scheme at the end of each year. The bridge is completed during Year 6.
