This year for School

This year FOMBA has had a change from the start of the year, with a new group of parents all eager to make some valuable funds to provide extra curricular activities for all the children at Marus Bridge!

Since starting in September 2023 we have raised more than £6000 which has enabled us to cover the coach costs for every year. This is something we are very proud of, we couldn't have done this without your support.

Let's see what we can do next year!

FOMBA FEST

The first FOMBA fest had so much to offer with local music and dance acts, and over 20 local businesses. We raised over £2000 that day. Watch this space for next year- bigger and better!

HEALTHY LIVING WEEK!

Earlier this term children have enjoyed healthy living week which consisted of many different activities including the climbing wall and taking part in cooking classes.

With your support with our fundraising over the year we managed to donate a massive £1400!

Goodbye to our Year 6's!
